**Please note that:**

- Allocation of scholarships are very competitive and only awarded to applicants with a strong academic background and the potential to carry out high quality research.
- Under certain circumstances, scholarship applications received after the closing date MAY be considered.
- RTP awards are only available to Australian or New Zealand Citizens or Permanent Residents of Australia.
- Master of Research students are not eligible and will not be considered for Main Round Scholarships.

**Award of RTP and UPA Scholarships take into account the following criteria:**

- Academic merit of candidate.
- Research track record relative to opportunity of the candidate (not applicable to recent graduates).
- Research and work experience.
- References reports.
